## Lancaster Community Music Trust

The Lancaster Community Music Trust (LCMT) is a small local charity in Lancaster. The Trust is a voluntary led organisation that provides opportunities for music making and tuition through the operation of Lancaster Community Music Centre.

The Lancaster Community Music Centre (LCMC) meets on Saturday mornings in term time at Dallas Road Community Primary School, High Street, Lancaster, LA1 1LD.

Membership of the trust is available for a termly subscription. (Please see website for details [www.lcmt.org.uk](http://www.lcmt.org.uk).)

## INSTRUMENT LOANS

At Lancaster Community Music Trust (LCMT) we believe that everyone should have the opportunity to enjoy playing a musical instrument.

All members of LCMT automatically have membership of the instrument loan scheme. Under this scheme any member may borrow an instrument for 6 months free of charge. After that there is a small fee to help cover insurance costs.

We have a wide variety of instruments available including violin, viola, cello, double bass, trumpet, trombone, French Horn, recorder, flute, clarinet, oboe, bassoon, guitar and saxophone.

## SECONDHAND MUSIC

A variety of second hand music is donated to the centre each year by members and friends. This is available for members in return for a small donation.
